LB784 would amend Sec. 23-914 of the County Budget Act. The proposed changes appear to harmonize the related provisions of Sec. 23-914 with similar provisions contained in the Nebraska Budget Act (i.e. Sec 13-509.02). While the amended provisions may represent implications related to the timing of county expenditures within a given fiscal year, the amended provisions appear not to necessarily represent implications with respect to total fiscal year county expenditures.
