This bill would change reporting requirements of the Community Corrections Division of the Nebraska Commission on Law Enforcement and Criminal Justice.

Both the Crime Commission and the Department of Correctional Services (DCS) estimate no fiscal impact from this bill.

The Supreme Court states that this bill may increase General and Cash Fund expenditures. The Court notes that modifications to both court and probation computer systems may be necessary in order to provide the data required by the Community Corrections Division. However, the Supreme Court states that the fiscal impact cannot be determined at this time without further clarification from the Community Corrections Division.
