Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

This bill eliminates the Licensed Practical Nurse Certified (LPN-C) and would incorporate the requirements of the LPN-C into the credentialing of all LPNs.

The change would result in a revenue loss of \$45,628 every other year unless the fees for LPNs are increased.

Explanation of Estimate:

LB 283 would retire the Licensed Practical Nurse-Certified (LPN-C) credential, which grants credential holders statutory authority to perform IV skills. All LPN-C holders also hold LPN credentials.

The Department would no longer issue the LPN-C credential, which is currently held by 671 individuals and is subject to biennial renewal. With a credentialing fee of \$68, the Department estimates a \$45,628 revenue reduction in FY18, which would continue biennially thereafter.
