This bill requires movie theaters with five or more screens in one location to offer open movie captioning for at least two showings per week of each movie. Non-compliance would be a violation under the public accommodation laws regulated by the Equal Opportunity Commission. The provision terminates on January 1, 2022.

Very few cases are anticipated to be filed. The agency can handle the additional cases with existing resources.

Please complete ALL (5) blanks in the first three lines.
