LB 889 changes provisions related to the State Fire Code.

Section 3 requires the State Fire Marshal to adopt and promulgate rules and regulations constituting a State Fire Code. No later than July 1, 2019, the rules and regulations adopted and promulgated shall conform generally to the standards recommended by the National Fire Protection Association, Pamphlet Number 1, known as the Fire Code, 2012 edition, the National Fire Protection Association, Pamphlet Number 101, known as the Life Safety Code, 2012 edition, and associated pamphlets, but not when doing so would impose an unduly severe or costly burden without substantially contributing to the safety of persons or property.

The State Fire Marshal estimates no fiscal impact other than the two notices for public hearings. This is estimated to be \$500 and can be absorbed with current resources.
