This bill would create a penalty for motor carrier out-of-order violations and authorize administrative fines.

The Department of Roads states that this bill will bring Nebraska into compliance with new federal standards that become effective in 2010. States that are not in compliance are subject to have federal highway funds withheld; 5% the first year, and 10% thereafter. For Nebraska, this would amount to \$9.5 million the first year, and \$19 million thereafter.

The Nebraska State Patrol (NSP) estimates no fiscal impact.
