In 2017 legislation was passed (LB 624) that allowed the county assessor and register of deeds to withhold from the public the residential address of a law enforcement officer if requested by application using a form prescribed by the county assessor. LB 929 would extend this ability to have residential addresses withheld to members of the Nebraska National Guard.

Since a process to comply with the provisions of LB 624 in regards to law enforcement officers is already in place there should be little to no cost to expand this process to cover National Guard members. The one exception would be if hundreds of applications are received at one time in one county there could be a need for temporary staffing.
