*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 1067 changes the allocation of election costs among political subdivisions. The bill's new language requires that the minimum charge for each primary and general election for each political subdivision shall be fifty dollars.

While the bill's provisions may impact some political subdivisions, that cost will be less than \$100 per election year, assuming no special elections.

No fiscal impact to the state.
