LB 861 would remove the statutory requirement that the Nebraska State Fair be held at or near the City of Lincoln on property owned by the state and known as the Nebraska State Fairgrounds.

The removal of this requirement would have no fiscal impact unless the Nebraska State Fair Board determined that the State Fair should be located in another venue. Any potential fiscal impact would depend upon future board decisions, but if a relocation were carried out, management of the State Fairgrounds would revert to the Department of Administrative Services Building Division.
