LB 319 would amend sections of law governing the Department of Natural Resources and would make the promulgation of rules and regulations under sections 46-753 and 61-206 to be permissive rather than mandatory. It would also revise a section of law governing hearing notifications for flood plain management rules and regulations. Notifications by mail would no longer be required under the provisions of LB 319.

It is estimated that there would be a minimal savings to the Department of Natural Resources as a result of LB 319.
