**Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.**

This bill repeals portions of Medicaid recovery statutes.

Most of the language that is being repealed was passed in LB 268 in the 2017 Session. The anticipated additional recoveries were estimated at \$4 million a year. According to the Department of Health and Human Services, the provisions being repealed are those that do not conform to federal regulation and have not been enforced. Other provisions of LB 268 which are retained are producing additional recoveries.
