LB 859 would appropriate \$100,000 General Funds to the Department of Economic Development in FY08-09 to provide funding for the Nebraska Lied Main Street Program. If this program was continued into the FY09-11 biennium, there would be a continued impact of \$100,000 General Funds annually.

COMMENTS					
DEPARTMENT OF ECONOMIC DEVELOPMENT: LB 859 appropriates \$100,000 of General Funds to the Department of Economic Development, Program 600, in FY 2008-09. Intent language states the purpose is to provide funding for the Nebraska Lied Main Street Program. There is no intent language indicating the desire to continue this funding in future fiscal years.
