LB 886 delays provisions requiring school districts in a learning community to provide free transportation for certain option students and students attending focus or magnet schools in the school district. The requirement to provide free transportation is delayed from 2009-10 to 2010-11. The amount of decreased transportation costs for school districts in 2009-10 is unknown. Any decrease in transportation expenditures reduces the amount of state aid paid two years later.
