LB 993 would expand the list of allowed uses of money in the Nebraska Liquor Control Commission Rule and Regulation Cash Fund. There is no direct fiscal impact from allowing money in the fund to be spent for the new activities listed in the bill. The use of money in this fund on these new activities is still at the discretion of the agency.

COMMENTS

NEBRASKA LIQUOR CONTROL COMMISSION: Concur with agency analysis. The bill expands the potential uses of the Nebraska Liquor Control Commission Rule and Regulation Cash Fund but does not increase appropriation authority or revenue sources.
