**Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.**

This bill would provide for set-asides of infractions and violations of city and village ordinances and county resolutions.

It appears that this bill will not have any significant fiscal impact to the state or political subdivisions.

The Supreme Court states that there is the potential for an increase in judicial workload, but any increase is not estimated to be significant. The Court estimates a minimal fiscal impact to provide judicial education, but no additional resources are required.
