**Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.**

LB 890 would have no fiscal impact to state agencies.

LB 890 would allow political subdivisions to use a design-build contract or construction management at risk contract under the Political Subdivisions Construction Alternatives Act to construct water, wastewater, utility or sewer construction projects. Any impact to project costs would depend upon local governing body decisions and would vary by project. Costs cannot be estimated at this time.
