This bill creates the fourteen-member Commission on Asian American Affairs. The purpose of the commission would be to enhance the cause of Asian American rights and to develop solutions to problems common to all Nebraska Asian Americans. The commission would meet at least quarterly. Commissioners would receive a per diem of \$50 for each day spent in performance of their duties.

Modeling the Commission on Asian American Affairs after the three similar commissions, the Commission on Indian Affairs, the Commission on Latino-Americans and the Commission on African-American Affairs, the cost would be approximately \$255,000 annually which includes funding for three staff including an executive director. Assuming a January 1, 2022 start date, the first year funding would be \$112,500.
