LB177 extends the period in which liens can be filed from sixty days to within one hundred twenty days after the last date after the last date upon which the product, machinery, or equipment was furnished or work or labor was performed under the contract, but in no event shall it have priority over prior lienholders unless prior lienholders have agreed to the contract in writing. The Departments of Agriculture and Energy and Environment estimate no fiscal impact to their agencies as a result of this legislation. We find no cause to dispute their findings. No fiscal impact.
