LB675 creates the Education Lobbyist Pay Transparency Act.

All Educational Service Units (ESU's) and District School Boards will need to approve new and amended contracts with lobbying services at a public meeting of their board. The contracts, with a reasonable estimate and description of all current and future costs to the district or ESU, will be published on the website of the school district or ESU if the contract is approved at least three days prior to the scheduled meeting to discuss said contract. Once the contract has been approved, the school or ESU board has two days to publish a copy of the contract on their designated website. All approved or amended contracts must be submitted to the Nebraska Department of Education (NDE) on or before the next succeeding August 1. NDE will then post a copy of the contract on their website for public viewing. NDE can withhold TEEOSA or Core Services payments and also direct the local County Treasurer(s) to withhold all money belonging to the district or ESU until the ESU or school boards submit the required documents.

Fiscal Impact would only happen at the district or ESU level, if they don't meet the requirements of LB675.

Explanation of Estimate:

This bill would impose procedures and disclosure requirements for “lobbying” activities by school districts and ESUs. It would not impose additional requirements on NDE itself other than the time and effort required to post the lobbying contracts sent to it on its website and notifying districts and ESUs and districts of the need to file their lobbying contract with NDE per the bill’s language.
