LB 299 would allow the Game and Parks Commission to collect a permit issuance fee; raises the maximum permit issuance fee from \$1 to \$2; allows the Commission to issue multi-year permits at a reduced rate; eliminates the lower limit of several permit fees; removes the minimum age for hunting wild turkeys; creates a lifetime migratory waterfowl stamp; eliminates the nonrefundable application fee for a paddlefish permit and replaces it with a permit fee of up to \$35; and renames the Nongame and Endangered Species Conservation Fund the Wildlife Conservation Fund.

The estimated impact on cash fund revenues as estimated by the Commission are summarized as follows.

	Cash Fund Revenue Impact	
	<u>FY2007-08</u>	<u>FY2008-09</u>
