On or before December 1 of each year, the Nebraska Library Commission (NLC) & the Nebraska Department of Education (NDE) will submit a comprehensive report to the Governor & the Education Committee of the Legislature stating any issues they are having with provider compliance. Parents or guardians of the minors, attending a school in violation of the provisions of this bill, can start civil proceedings for failure to follow the provisions of this bill.

No Fiscal Impact.

The NLC expects some increased expenditures but expects them to be minimal and can be absorbed with current funding.

NDE believes that there will be an impact at the school district level to meet to the provisions of this bill and those cannot be determined at this time.
