LB 1231 amends the Nebraska Liquor Control Act, adding two additional sections.

Section 3 of the bill defines “primary source of supply”. For any liquor to have its primary source of supply be considered Nebraska, LB 1231 requires the licensee to be the first source in the channel of commerce.

Section 4 requires license holders to submit a report to the Nebraska Liquor Control Commission (NLCC) prior to the importation of liquor into Nebraska. The commission is given authority to adopt and administer regulations necessary to carry out the provisions of LB 1231.

NLCC estimates minimal fiscal impact, and will absorb any costs with current resources. There is no basis to disagree with these estimates.
