LB 396 establishes a new fee range for the State Board of Landscape Architects of not less than \$100 nor more than \$300.

Fees are currently at the \$100 maximum.

The Board currently has an average of 85 license renewals, 10 applications for registration, and 10 certifications of registration per year. The Board estimates that fees will be set as follows:

- License Renewals - \$165
- Applications for Registration - \$200
- Certification of Registration - \$165

The Board estimates that changing the fee range will result in an annual increase of \$7,175 in the Board's Cash Fund.

The expenditures represent an increased cash fund expenditure authority, which will be needed so the State Board of Landscape Architects may expend the additional revenue received as a result of LB 396.
