Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

This bill permits a third renewal of qualifying Provisional Mental Health Practitioner Licenses. The Department of Health and Human Services would be able to recover the minimal increased administrative costs via fees. No additional funding or spending authority would be needed to implement the changes.

Explanation of Estimate:

LB 1130 allows a third renewal period of five (5) years for a Provisional Mental Health Practitioner License upon demonstration of hardship by appeal to the Board of Mental Health Practice.

The Department of Health and Human Services (DHHS) will need to revise existing regulations 172 NAC 94. It is expected that it would take approximately (60) sixty hours for a 1.0 FTE DHHS Program Manager I to develop the revisions along with the input of the Board of Mental Health Practice and update license application forms. It is estimated that it would take approximately (4) four hours for a 1.0 FTE IT Business Systems Analyst to add the additional license option in the licensure software system and update the DHHS website.

It is anticipated the formal adoption of regulation changes would be incorporated into a regularly scheduled meeting of the Board of Mental Health Practice.

All costs associated with implementing and administering LB 1130 will be recovered under the Uniform Credentialing Act Sections 38-151 through 38-156, administrative costs and fees.
