Return by date specified or 72 hours prior to public hearing, whichever is earlier.

**Explanation of Estimate:**

LB 1173 creates a new State certified document, entitled, Abstract of Death, that would provide proof of a death prior to the issuance of a formal Death Certificate. LB 1173 adds the Abstract of Death to the list of documents that can be used to accompany an application for termination of Child Support. LB 1173 also authorizes the Department of Health and Human Services (DHHS) to collect an issuance fee to provide an Abstract of Death.

It is estimated that the cost to implement LB 1173 would require 1.0 FTE Program Analyst approximately 5.0 hours to assist with the development and testing of the new form and 1.0 FTE Senior Applications Developer approximately 40 hours to make the necessary changes to the Vital Records registration system.

The department will absorb any associated costs.
