LB89 adopts the Stand with Women Act. The bill defines female and male.

The bill requires a governing body of a school to designate each group restroom & locker room within each school building as either for use by females or for use by males.

The bill requires interscholastic or intramural athletic team or sport sponsored by a school or athletic association to be designated as female, male, or coed and includes restrictions on participation.

The bill prohibits a government entity, licensing or accrediting organization, or athletic association to file a complaint, open an investigation, or take any other adverse action against a school for maintaining any separate interscholastic or intramural athletic team or sport for female students.

Each state agency, in the adoption and promulgation of administrative rules & regulations, the enforcement of administrative decisions, & the adjudication of disputes by administrative agencies, is required to define a person's sex as that person's biological sex, meaning either a male or female.

State agencies must designate each group restroom within any facility operated or used by that state agency as either for use by females or for use by males, subject to certain exceptions.

The bill provides that Individuals born with a diagnosis of a disorder or difference in sex development retain relevant legal protections & accommodations afforded under the federal Americans with Disabilities Act of 1990.

LB 89 does not have a fiscal impact.
