LB 44 amends provisions related to the limitations on filing motions for postconviction relief in Nebraska.

The bill introduces an additional circumstance allowing prisoners more time, specifically stating that the one-year limitation period for filing postconviction relief begins at "the date on which the prisoner reaches twenty-one years of age" if other conditions listed do not apply earlier.

The Supreme Court has stated that LB 44 will have a minimal fiscal impact and will not require any additional resources.
