TOTAL FUNDS	\$138,373		\$140,887		

Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

LB 190 requires the Legislative Performance Audit committee to review and approve a schedule of audits for all state agencies on a rotating basis to audit each agency every five years.

The Legislative Council estimates that due to the increase in the number of audits conducted by the Legislative Audit Office, additional FTEs may be needed. At this point in time, the estimated fiscal impact includes 1 FTE for a Performance Auditor. If workload dictates that additional FTEs would be needed, those FTEs would be requested through the appropriations process.
