LB329 amends Nebraska Revised Statute §28-316.01 by expanding the definition of "school employee" to include "school contract workers," defined as individuals aged nineteen or older working at accredited or approved schools but not directly employed by them. This amendment subjects contract workers to the same legal consequences as direct school employees regarding sexual abuse of students.

The Supreme Court has stated that LB 329 will have a minimal fiscal impact and will not require any additional resources.
