LB 330 changes provisions of the Nebraska Telecommunications Act.

Section 3 defines "service agreement". Section 4 defines "wireless carrier".

Section 5 allows the Public Service Commission (the Commission) to resolve a dispute between a customer and a wireless carrier regarding a service agreement or bill. This language is permissive, not mandatory. Section 5 goes on to outline dispute resolution procedures.

The Commission anticipates no fiscal impact.

COMMENTS			
PUBLIC SERVICE COMMISSION – The bill may increase the requests to the PSC for hearings, but the agency assumes current resources are sufficient to cover any potential increase in activity.
