Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.

This bill changes and eliminates programs involving special need trusts (Section 3, § 30-38,113), spousal impoverishment (Sections 1 and 2, § 28-705 and § 28-706, Sections 8 through 11, and outright repeals § 68-921 through § 68-925), child support customer service (Section 6, §43-3342.04 removes the requirement that the contractor hire 0.25% of the county's labor force), child care grants (Section 5, § 43-2624 is amended to remove the \$10,000 cap on such grants and allow for grants in excess of federal fund appropriations), AABD (aged, blind and disabled) (Sections 12 through 15, removing reference to income disregards), the state Commodity Supplemental Food program (Section 15), maternal health, wholesale drug distributor license fees (Section 16, adds revenue source of payment of expenses related to the prescription drug monitoring system), and the Division of Children and Family Services (Section 17 removes a requirement that the service areas be in line with judicial districts). In addition, this bill changes provisions relating to fingerprints in compacts, and tribal age of majority provisions in the Bridge to Independence Program (Section 7, §43-4504 adds new requirements for eligibility), and eliminates obsolete provisions relating to the Nursing Compact (removes reference to initial licenses in Section 4, § 38-131 and outright repeals § 71-1795 and § 17-1795.02). The bill eliminates § 68-1008 which requires DHHS provide written notification to the applicant or recipient of assistance for the aged, blind, or disabled. The bill eliminates § 71-2201 through § 71-2208 which established the Maternal and Child Health and Public Work Fund.

DHHS indicates no fiscal impact however there is reason to believe that some of these provisions will have minimal savings or costs. The impact is indeterminable at this time.
