This bill creates a temporary nonrenewable event license for body artists under the Cosmetology, Electrology, Esthetics, Nail Technology, and Body Art Practice Act. The temporary licenses will be valid for no longer than one week and temporary license holders must only practice within a licensed body art facility. The Department of Health and Human Services is limited to charging no more than \$50 per event license and the fees shall be credited to the Professional and Occupational Cash Credentialing Fund. We estimate a minimal amount of cash fund revenue from fees for the temporary license.

DHHS indicates no additional cost to modify the system for changes needed to implement the provision of this bill.

**Explanation of Estimate:**

LB720 will require the creation of a new license type in LIS. The Occupational Licensure Unit IT Business Analyst will work with the vendor, System Automation, to modify the LIS for the new license type. There should not be additional cost for this work as the subscription fees for maintaining the system should cover the addition of new license types.
