Explanation of Estimate:

This bill increases fees under the Plant Protection and Plant Pest Act and the Pesticide Act to allow the programs to continue operations and offset program reliance on General Funds.

The fees under the Plant Protection and Plant Pest Act are being raised as follows:

	Current Base	LB947 Base	Current Cap	LB947 Cap
Nursery License	\$115.00	\$140.00	\$140.00	\$180.00
Additional Acres	\$5.00	\$39.00	\$6.00	\$50.00
Inspection Fee	\$24.00	\$39.00	\$27.00	\$50.00
Mileage	\$0.42	\$0.70	\$0.50	\$1.00
Phyto Certificates	\$30.00	\$60.00	\$40.00	\$106.00
ECB Quarantine Certificates	\$50.00	\$65.00	\$65.00	\$80.00
ECB Certificates	\$6.25	\$25.00	\$10.00	\$35.00
Compliance Agreements	\$50.00	\$65.00	\$65.00	\$80.00

Under the bill the pesticide product registration fee would increase from \$160 to \$200 and raise the cap of the registration fee to \$250. The bill provides an additional \$20 to the Noxious Weed Cash Fund, and an additional \$20 dollars to the Pesticide Administrative Cash Fund.

The bill also strikes the department's authority to publish the Weeds of the Great Plains book and eliminates the associated Weed Book Cash Fund, transferring the funds of approximately \$30,000 to the Noxious Weed Cash Fund, reducing expenditures by \$19,743 for FY 26-27 and \$20,138 for FY 27-28, as well as reducing revenue by \$8,244 for both FY 26-27 and FY 27-28.

The bill further transfers the remainder of the Nebraska Potato Development Fund to the Plant Protection and Plant Pest Cash Fund. Under current statute, the Nebraska Potato Development Act and the associated Cash Fund are set to terminate on July 1, 2026.
