LB840 adds new accessibility requirements for multifamily housing projects that receive funding from the Affordable Housing Trust Fund (AHTF). The Department of Economic Development (DED) may only approve a multifamily project if at least twenty percent (20%) of units are accessible for people with mobility impairments and at least ten percent (10%) of units are accessible for people with hearing or vision impairments.

Based on the current language, DED does not expect any change with current resources.
