LB1162 amends Nebraska §75-401 to permit the Public Service Commission (PSC) to adopt the Federal Railroad Administration's safety standards as they existed on January 1, 2026; for the limited purpose of conducting safety inspections, participating in federal railroad safety programs, and reporting potential violations.

This bill would become effective three calendar months after the adjournment of the Legislature.

The PSC has indicated no fiscal impact if this bill were to pass.

There is no basis to disagree with this estimation of no fiscal impact.
