**Explanation of Estimate:**

LB1200 requires industrial integrators (vertically integrated livestock producers) to submit an annual disaster mitigation plan to the Department of Health and Human Services (DHHS). The bill requires no further duties to DHHS.

Public Health would need to establish an annual library of disaster mitigation plans, likely in the form of a SharePoint library, to retain submitted plans. The IS&T web applications team would complete this work.

The cost to implement this library would be minimal and absorbed by the Department.
