LB21 renames the Nebraska Scholarship Program Act as the Nebraska State Grant Program Act and renames the Nebraska Scholarship Fund as the Nebraska State Grant Program Fund. The bill technically modifies criteria for determining postsecondary education students' eligibility to receive financial aid under the program. State appropriations for the program would remain at the discretion of the Legislature. The Coordinating Commission for Postsecondary Education, which administers the program, notes that nominal costs would be incurred in revising rules relating to administration of the program in the event LB21 were to be enacted. Current funding resources of the agency can accommodate normal operating costs such as those associated with adoption of rules modifications.

COMMENTS			
COORDINATING COMMISSION FOR POSTSECONDARY EDUCATION: NFI. Agency impact can probably be absorbed with existing resources.
