**Any Fiscal Notes received from state agencies and political subdivisions are attached following the Legislative Fiscal Analyst Estimate.**

LB1158 amends Nebraska §75-304.04 to include that transportation network companies must apply for a license from the Public Service Commission (PSC) and renew it annually before transporting railroad employees to or from locations.

This bill would become effective three calendar months after the adjournment of the Legislature.

The PSC has indicated no fiscal impact if this bill were to pass.

There is no basis to disagree with this estimation of no fiscal impact.
