LB 1240 amends section 77-1403 regarding the Achieving a Better Life Experience (ABLE) Program.

Under current law, the state shall not seek recovery of any amount remaining in the ABLE account of the designated beneficiary, for any amount of medical assistance received by the designated beneficiary or his or her spouse or dependent under the medical assistance program pursuant to the Medical Assistance Act after the establishment of an account. The bill adds that the state shall not seek recovery of any amount distributed from the ABLE account of the designated beneficiary upon the death of the designated beneficiary for any amount of medical assistance received by the designated beneficiary or his or her spouse or dependent under the medical assistance program pursuant to the Medical Assistance Act after the establishment of the account, as well.

The bill is operative three months after adjournment of the Legislature.

The State Treasurer's Office and the Department of Health and Human Services estimate no fiscal impact as a result of the bill. There is no basis to disagree with these estimates.
