This bill, as amended, would change and provide penalties for minors in possession of alcoholic liquor.

The provisions of this amended bill could impact state and local criminal justice resources (law enforcement, prosecutors, public defenders, probation, jails, etc.). It is unknown how many individuals would violate the provisions of this amended bill, and therefore, it will have an indeterminate impact on criminal justice expenditures.

The Supreme Court, the Department of Motor Vehicles and the State Patrol estimate no fiscal impact from AM1803 to this bill.
