This bill would increase the legal services fee by \$2.

The Commission on Public Advocacy estimates that the \$2 increase in the fee will raise about \$600,000 per year. The fee revenues are deposited into the Legal Aid and Services Fund. The Commission disburses monies in the fund by granting awards to qualifying civil legal service providers on an annual basis. The Commission will not incur additional costs because of this fee increase.

COMM. ON PUBLIC ADVOCACY – Agency analysis appears to be a reasonable estimate.
