LB 222 provides that a person over age 18 may only be issued a learner's permit one time. The bill provides for the Director of the Department of Motor Vehicles to waive the restriction for good cause shown. The department indicates the bill requires minimal changes to the drivers' license issuance computer system which can be handled with existing resources.

COMMENTS					
Concur with Dept. of Motor Vehicles' analysis and estimate of minimal fiscal impact which could be absorbed within existing appropriations.
