LB 348 provides that legal newspapers, as defined in Section 25-523, would no longer have to pay for copies of tax statements or pay a fee to receive such statements electronically. The bill would also allow an individual access to the real estate transfer statement in the Register of Deeds office provided the statement has not been disposed of pursuant to a records retention and disposition schedule.

The Department of Revenue indicates no fiscal impact and cost to implement would be immaterial.

The Douglas County Assessor and the Lancaster County Assessor/Register of Deeds indicate there would be no fiscal impact associated with this bill. The Douglas County Assessor's office already provides the requested data to newspapers free of charge.

There is no basis to disagree with the Department of Revenue or the Douglas County and Lancaster County Assessors.
