*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

This bill will change acting county attorney compensation and provide for county judge interchange. It also repeals the following sections:

- Section 29-501 Examination; adjournment; period; prisoner; how sustained and kept;
- Section 29-502 Examination; adjournment; recognizance; continuance; restrictions;
- Section 29-503 Examination; forfeiture of recognizance; effect.

STATE IMPACT: It appears that this bill will not have a fiscal impact to the state. The Nebraska Supreme Court (NSC) estimates no fiscal impact.

IMPACT ON POLITICAL SUBDIVISIONS: This bill may have an impact to counties. Currently, a court may appoint an acting county attorney and s/he is compensated under the provisions of Section 23-1204.01. It is unclear what impact, if any, this bill will have to county expenditures for acting county attorney compensation.
