This bill would require information obtained pursuant to certain arrests be forwarded to federal immigration authorities.

The State Patrol estimates no fiscal impact.

The University of Nebraska estimates a minimal fiscal impact.

**IMPACT ON POLITICAL SUBDIVISIONS:** The Lancaster County Sheriff states that individuals arrested for DWI in Lancaster County are not necessarily taken to jail, but go to Detox and then are released when sober to appear in court. There is no way of knowing the number of illegal aliens that may be arrested for DWI which would then require the deputy to contact federal immigration authorities. The fiscal impact is indeterminate.

The Douglas County Sheriff estimates no fiscal impact.
