This bill would change provisions relating to racial profiling. Certain information that is collected by law enforcement (State Patrol, sheriffs, city, etc.) and provided to the Crime Commission expired on January 1, 2010. The bill extends this requirement until 2014. The bill adds new members to the Racial Profiling Advisory Committee and changes the meeting requirement from quarterly to semiannually. Additional information is to be provided in the annual report to the Governor and Legislature.

The Crime Commission estimates no fiscal impact.
