Section 90-304 authorizes the State of Nebraska, acting through the Department of Administrative Services; the city of Lincoln; and, Lancaster County to undertake and expend funds, either singly or in some combination with each other, for projects within the Capitol Environs District as defined in Sec. 90-303. LB715 effectively reaffirms such authority for projects undertaken within a specific portion of the district as identified in subdivision (1) (d) of section 90-303 which includes an area bounded by 14th, 'S', 16th and 'L' Streets to the north of the Capitol. Insofar the related authority apparently already exists under current law, the bill represents no fiscal impact in and of itself.
