LB 786 would amend the Nebraska Liquor Control Act by repealing Nebraska Revised Statutes Section 53-174 and amending section 53-172.

The repeal of Section 53-174 would eliminate the current restriction making it unlawful for any person or licensee to sell beer to which alcohol has been added or to permit any person to add alcohol to beer on the premises of the licensee. Section 53-172 is amended to reflect this change.

The Nebraska Liquor Control Commission indicates that LB 786 has no fiscal impact to the General Fund.

There is no basis to disagree with the Commission's estimate of fiscal impact.
