*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

This bill would change criminal laws relating to gambling.

The State Patrol estimates no fiscal impact.

The Department of Revenue states that this bill is expected to prevent a loss to charitable gaming receipts derived from pickle card sales and keno. The following table shows the estimated impact:

Fund Source:	FY 2010-11		FY 2011-12		FY2012-13	
	EXPENDITURES	REVENUE	EXPENDITURES	REVENUE	EXPENDITURES	REVENUE
GENERAL FUNDS		40,000		41,000		41,000
CASH FUNDS+		27,000		27,000		28,000
FEDERAL FUNDS						
OTHER FUNDS						
TOTAL FUNDS	0	67,000	0	68,000	0	69,000

+ Charitable Gaming Cash Fund

The Department of Revenue states that this bill is not expected to have a significant impact on the Mechanical Amusement Device tax.

The Department of Revenue estimates minimal implementation costs.

IMPACT ON POLITICAL SUBDIVISIONS: This bill could impact political subdivisions, but any impact is not determinable at this time.
