LB 743 would convey the Arnold State Recreation Area to the village of Arnold and would convey the Atkinson State Recreation Area to the city of Atkinson. In both cases it is required that the use of the property continues as a public park and recreation area, or else the title to such lands would revert back to the Game and Parks Commission.

The Commission has indicated that the budget for both of these areas combined is less than \$3,000 annually. It is their intent to use these savings on the needs of other park areas so their total expenditures will not change. The village of Arnold and the city of Atkinson will pick up these maintenance costs, the level of which will depend on decisions such as mowing frequency, whether to improve facilities such as playground equipment, picnic tables and shelters, etc.
